July 2018

On the Beat...

Announcements:

- Westside clinic began their monthly Women’s Health Clinic in Grant City on July 26th. Westside will provide services from the Grant City location at 16 West on the 4th Thursday of each month.
- The agency rolled out a more efficient platform to manage computer work utilizing thin clients. This enhancement frees up space and reduces equipment needs.
- Effective 9-1-18 HEALTH (Helping Everyone Achieve Long Term Health), a program created by the leadership of the Social Welfare Board (SWB), St. Joe Public Health and 25 other agencies, will move to CAP St. Joe. Since HEALTH’s inception in 2015 it has been managed by the SWB. The past two years, a grant from MOSAIC has funded HEALTH. By moving HEALTH from the SWB to CAP, the program will no longer rely on competitive and uncertain grant funds as CAP will be able to absorb the costs and expand the program. This program is a testament to the mission of each safety net organization making up HEALTH as they recognize one’s health is directly linked to their level of income. Early on the group realized in order to improve the level of health for the impoverished, they had to address the barriers that keep people in a persistent state of poverty.

July 2018 Clinic	Scheduled Appointments	Appointments Kept	Walk-ins	Referrals to Other Clinics	Referrals to ER	Total Seen	Total Capacity
Medical	596	383	114	5	5	456	603
