Volume VII, Issue V  
May 2018

## On the Beat...

Dear Friends,

This is the 1st anniversary of the SWB's *Westside Clinic's* new logo. Westside is one of three clinics within the Social Welfare Board that provides reproductive health services, early detection for breast and cervical cancers, female and testicular cancer, as well as important STD screenings. Because of the many programs Westside is able to leverage, numerous payer sources are accepted. Cost of services are waived for people with earnings below 100% of the poverty level. The Social Welfare Board is also a partner with Show Me Healthy Woman, which means if a person is enrolled in this program before a cancer diagnosis is made, the cost of their cancer treatment is paid.
