The Thanksgiving Fund has awarded the Social Welfare Board \$25,000 to support the clinic's general operations. We are extremely grateful for the support they have given the Social Welfare Board over the course of the past 20+ years. Their assistance has helped so many underserved patients live a better life!

The Social Welfare Board received its first allotment of the Pfizer vaccine on March 16, 2021. The clinic is partnering with Mosaic Life Care to store the vaccine and vaccinate the clinic's patients from the community 'Gordman' site. The Social Welfare Board notified the qualifying patients through a text message; patients are asked to call the SWB to be placed on a wait list. We are grateful for Mosaic's partnerships on so many levels.

Pati Jones, RN retires from the Social Welfare Board. In 2015 Linda Judah found Pati working at the Cracker Barrel. As former school nurse colleagues, Linda knew the quality of Pati's nursing skills. Needless to say Pati was recruited on the spot and for the past 6 years has provided stellar care for the patients of the Social Welfare Board. Thank you Pati for your much appreciated nursing care! You are an exemplary nurse and lady!
