Our Mission

To promote and provide quality healthcare to the underserved population residing in the City of St. Joseph and Buchanan County in a safe, respectful and compassionate

Social Welfare Board

March 2021
Volume X, Issue 8

To celebrate the **Clinic's accomplishment** in earning NCQA recognition as a patient centered medical home, staff took part in a New York themed luncheon. NP's Latha and Carol navigated the process with much style and finesse, while shoring up our processes in accordance to best practices! NCQA-PCMH is an evidence-based program dedicated to quality improvement and measurement. Way to go SWB Staff!!!!

In honor of **Doctor's Day** Mosaic Life Care donated to the SWB in honor of their Doctors to help support our mission. This much-appreciated *donation clearly* demonstrated the mutual respect we have for each of our missions and the importance of working together in order to achieve the best possible health outcomes for the underserved population living in our city. **Thank you Mosaic Life Care!**

CDBG: The **Clinic's dental program** is being recommended to receive \$83,000 for patient care!!! **Westside** was awarded a grant from the Junior League for women's services.

SWB transferred its 2nd allotment of Pfizer vaccine to Mosaic Life Care for distribution.

Thank you to everyone who helps fulfill the mission of the Social Welfare Board: Staff, volunteers, board members, the City and Buchanan County, donors, Mosaic, Friends of the Free Clinic and our LifeChangers!
