COVID has challenged staffing needs, but with much perseverance we have found great people to complete our team! Pictured left to right: Lisa Dove, RN medical clinic's new resource nurse; Edna DurowaaMensah, RN, Westside's nurse, replacing Patsy Dale who will retire in December; Miranda Akers, FNP works both medical and Westside; Sherry Webb, intake specialist and Kathy King phlebotomist & Westside Assistant.

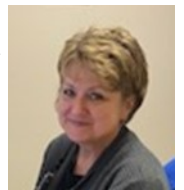

Far right below, Sandy Zug, Patient Advocate with Mosaic Life Care, placed at the Social Welfare Board to process financial assistance applications for patients as well as their Medicaid and disability applications. We are truly fortunate to have these remarkable ladies join our Social Welfare Board team!

QR code to educate prospective patients / public about the clinic's women's health and reproductive health services. Check it out by opening it up through your smart phone camera.
