Due to a fractured hip, Dr. Albright could not provide the introductory session, however Father Lac from St. Francis did a great job filling in and discussing: **Is there a Magic Way?** Other topics included **The Magic of Empathy.....**trauma informed care by Jeanie Hambrick; Deborah Borchers presented OSHA and emergency related information; Linda Judah solicited information from staff for the agency's upcoming strategic plan; the St.. Joe Police Department presented information regarding the latest on street drugs; de-escalating strategies and office safety. Matt Todd ended the retreat with a lesson in self-care and meditation.
