### COVID-19

Missouri activated a statewide public 24/7 hotline for anyone who would like guidance about the coronavirus. 877-435-8411

Your doctor and local urgent care clinics do not have the ability to test you for the coronavirus unless they get permission from the CDC. A person has to meet the criteria the CDC requires before being tested. Please call the above noted number to discuss symptoms before going to your doctor. We want EVERYONE to be SAFE!

A huge thank you to all who helps fulfill the mission of the Social Welfare Board: Staff, volunteers, board members, the City and Buchanan County, donors, Mosaic, Friends of the Free Clinic and our LifeChangers.
