

The Clinic Beat

Our Mission

To promote and provide quality healthcare to the underserved population residing in the City of St. Joseph and Buchanan County in a safe, respectful and compassionate

Social Welfare Board
904 S 10th St, Ste A

Volume IX, Issue III

Our staff and volunteers have done an amazing job pulling together to provide essential services during the COVID-19 pandemic. The Social Welfare Board has adjusted operations to providing essential services only and includes emergency dental care, STDs, Medical care for chronic/acute conditions and medication refills. As patients enter Patee Hall, they are asked the COVID-19 assessment questions and a temperature taken. Protocols are in place to guide patient visits following the guidance issued by the CDC and St. Joseph Health Department. Patients meeting CDC criteria are tested through Mosaic or the Health Department for COVID-19. Soon the agency will offer telehealth and phone appointments. We are very grateful for the PPE donations and acquisitions from Mosaic, Direct Relief and patients making masks!

“Opportunities to find deeper powers within ourselves come when life seems most challenging.” Joseph Campbell

A huge thank you to all who helps fulfill the mission of the Social Welfare Board: Staff, volunteers, board members, the City and Buchanan County, donors, Mosaic, Friends of the Free Clinic and our LifeChangers.
